

# K Type Thermocouple Universal Probe WRNM Series WRNM-201,WRNM-202

*WRNM-201: Suitable for measuring the temperature of smooth metal which is more than 130mm and plastic cylinder, and roll outside wall*

*WRNM-202: Most suitable for measuring the surface temperature of mould, mould for casting old fashioned and inflexible glass ware, bearing and other static solid.*

## **Feature**

WRNM-201:

- \* Straight handle type/pop head with ball bearing
- \* Suitable for measuring the temperature of smooth metal which is more than 130mm and plastic cylinder, and roll outside wall
- \* Measuring range: -50~250°C
- \* Hot response time quickly: within 5 seconds
- \* Accuracy:  $\pm 1.5^{\circ}\text{C}$
- \* Length of Spring wire: extend to 2m
- \* Handle: length 140mm, Dia. 23mm

WRNM-202:

- \* Straight handle type /the flat surface pops head
- \* Most suitable for measuring the surface temperature of mould, mould for casting old fashioned and inflexible glass ware, bearing and other static solid.
- \* Measuring range: -50~500°C
- \* Hot response time quickly: within 5 seconds
- \* Accuracy:  $\pm 1.5^{\circ}\text{C}$
- \* Length of Spring wire: extend to 2m
- \* Handle: length 115mm, Dia. 13mm
- \* Probe: Dia. of head: 25mm

## Spesification

### WRNM-201:

- \* Straight handle type/pop head with ball bearing
- \* Suitable for measuring the temperature of smooth metal which is more than 130mm and plastic cylinder, and roll outside wall
- \* Measuring range:-50~250°C
- \* Hot response time quickly: within 5 seconds
- \* Accuracy:  $\pm 1.5^{\circ}\text{C}$
- \* Length of Spring wire: extend to 2m
- \* Handle: length 140mm, Dia. 23mm

### WRNM-202:

- \* Straight handle type /the flat surface pops head
- \* Most suitable for measuring the surface temperature of mould, mould for casting old fashioned and inflexible glass ware, bearing and other static solid.
- \* Measuring range:-50~500°C
- \* Hot response time quickly: within 5 seconds
- \* Accuracy:  $\pm 1.5^{\circ}\text{C}$
- \* Length of Spring wire: extend to 2m
- \* Handle: length 115mm, Dia. 13mm
- \* Probe: Dia. of head: 25mm
